

OFFICIALLY AUTHORISED BY THE ITALIAN MINISTRY OF EDUCATION (DOCUMENT N. 10252/C20)

PRE-UNIVERSITY PROGRAMS

490 Italian language lessons

Studying at an Italian university is an opportunity to design your professional future. From Architecture to Medicine, from History to Theology, Italy offers rich cultural and social bases.

The ABC School can provide preparatory courses for students with no or limited prior knowledge of Italian in the following subjects: Medicine, Dentistry, Pharmacology, Veterinary, Architecture, Interior design and Urban planning.

Program

The program consists of 490 lessons:

- 320 Italian language course lessons in group
- 150 lessons in your chosen subject
- 20 Italian culture lectures.

Prices

- Please, contact us

The ABC School of Florence also provides individual lessons for students with a good level of Italian who require a specific academic terminology.
